

### **IN THE DRAWINGS**

Please approve the changes to the drawings in Figures 1, 5, 7, 8, and 11, as outlined in the attached Letter to the Draftsperson, and as shown in the accompanying revised replacement drawings.

Specifically, in Figure 1, the numeral 2 and lead line therefor have been added and the spelling of the word “demodulation” has been corrected.

In Figure 5, an arrowhead has been added to a line from the decision block for S113.

In Figure 7, absolute value lines have been added in the block for step S136.

In Figure 8, the word “yes” has been added to identify a line from the decision block for step S145.

In Figure 11, the word “no” has been added to identify a line from the decision block for step S205.

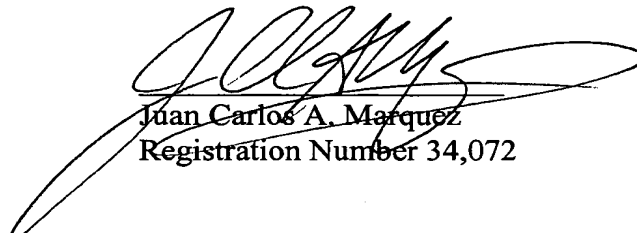

Entry of the drawing amendments is respectfully requested. Applicants respectfully request that acknowledgement and approval of the above-mentioned change be made via the next communication from the USPTO.

Kindly direct any inquiries in connection with this matter to the undersigned at the below-listed address and telephone number.

Respectfully submitted,
